

## Worksheet for Unit 11: Fracture

A 57-year-old man, James Wilson, has been transferred to the hospital by ambulance. He is in the emergency room and is conscious.

D : Good evening, Mr./Ms. XXXX. I'm Dr. YYYY. I heard that you fell off your bicycle and are in a lot of pain.

P : Yes, I hit my arm and right hip. It's the hip that's really painful. I can't even stand up.

D : (1)正確にどこが痛いか示してもらえませんか？

P : Just here.

D : Okay, let's have a closer look. (2)しびれを感じますか？

P : No, I don't.

D : (3)他に病歴がありますか？

P : I've had high blood pressure for several years. I'm taking medicine for that.

D : Okay, so you have hypertension. (4)身体診察をさせてください。 Please relax. (5)足をまっすぐ伸ばしてもらえませんか？ Well, there are no abnormalities around the right hip. (6)ここを押さえると痛みますか？

P : Ouch! Yes, it does. It hurts a lot.

D : (7)右足を上げてもらえますか？

P : It's too painful. When I try to straighten my back, the pain really hits me.

D : (8)右足を触りますね。 Can you feel that?

P : Yes, I can.

D : (9)お尻の X 線を撮る必要があります。 A nurse will bring a gurney for you.

P : Thank you, doctor.

*Dr. Gregory is looking at the X-rays.*

D : Mr./Ms. XXXX, (10)X 線では、ここに骨折があることを示しています。 右の大腿骨頸部骨折です。

P : Will I need an operation?

D : Yes, unless you have surgery, the bone won't heal properly.

- (1) Can you show me exactly where it hurts?
- (2) Do you feel any numbness?
- (3) Do you have any other medical problems?
- (4) Let me do a physical examination.
- (5) Could you put your legs straight, please?
- (6) Does it hurt when I press here?
- (7) Can you raise your right leg?
- (8) I'm going to touch your right foot.
- (9) We need to take some X-rays of your hips.
- (10) These X-rays show a fracture here. It's a right femoral neck fracture.
